DO Representative
Building Planning Staff, OL

FROM

:

[REDACTED]

25X1

Chief, Soviet European Division, DO

SUBJECT

: Validation of Workstations and Special
Use Space Requirements

REFERENCE

: Memorandum dtd 12 Oct 82, OL 2 4674a,
Same Subject

Attached herewith is reference computer printout which was validated by this office and returned as you requested in reference. Although not noted on printout, the Division wants to get [REDACTED] Branch employees moved from its location [REDACTED] to the Headquarters Building. The [REDACTED] issues that have kept this unit outside no longer exists and it is inefficient having those employees separated from the operation desks. To accommodate this group, we would require an additional [REDACTED] square feet.
